REVERENCE

When the benediction is pronounced, all should still be quiet, as if fearful of losing the peace of Christ. Let all pass out without jostling or loud talking, feeling that they are in the presence of God, that His eye is resting upon them, and that they must act as in His visible presence. Let there be no stopping in the aisles to visit or gossip... 5T 493.2

“When one is fully emptied of self, when every false god is cast out of the soul, the vacuum is filled by the inflowing of the Spirit of Christ. Such a one has the faith that purifies the soul from defilement. He is conformed to the Spirit, and he minds the things of the Spirit. He has no confidence in self. Christ is the all in all.” EGW, Gospel Workers, Pg 287
